

SURFOX RENEW

High Strength Stainless Steel Cleaner

Highly concentrated gel-like rust and mineral deposit remover for stainless steel. Removes the contaminants without attacking the parent material.

Features & benefits:

- Highly concentrated gel-like rust remover for stainless steel
- Excellent adhesion to vertical surfaces for optimal contact time
- Lifts and dissolves light grease, oil and dirt
- Removes flash rust, mineral deposits on pumps, tanks, heat exchangers
- Will not attack the material
- Cleaning of food processing and pharmaceutical equipment
- Renews and brightens stained, dull and weather exposed decorative finishes
- Also safe on aluminum, copper and brass
- Concentrated formula, can be diluted up to 1:40 with water
- Can be used as an acid wash to remove free iron
- Water-based, non-flammable
- Biodegradable, VOC free, solvent free, hydrochloric, hydrofluoric and nitric acid free
- **TIP:** neutralize with SURFOX-N after cleaning
