

Bio-Circle[®]

Safe and efficient cleaning
and degreasing solutions for the transportation industry

Making green work.

**Streamlined
maintenance
and repair.**

Worker safety.

Less waste.

Managing all three in a highly regulated industry is a big challenge. To stay competitive, transportation companies must fire on all cylinders — efficiently, safely and at minimal expense.

Bio-Circle® is the answer.

We provide powerful, economical, non-toxic cleaning and degreasing solutions that easily remove caked-on grime from engine pistons and bearings, oil pumps, wheel bearings, oil cooler housings, cylinder head bolts, exhaust components and more.

Naturally-derived **Bio-Circle®** products let mechanics work safely and effectively — without the need for special protective equipment or ventilation.

**Look to Bio-Circle®
for safe, efficient and
cost-effective solutions
that get trucks
back on the road fast
and reduce your
environmental impact.**

Bio-Circle® is a division of Walter Surface Technologies, which offers a full line of lubricants, industrial cleaners and surface treatment products for your facilities and operational needs.

Nature Boost

Exclusive and powerful plant-based compound that dissolves oils and greases.

More performance, less downtime

Maintenance means downtime. Getting back on the road, safely and quickly, is a priority.

- Bio-Circle solutions effortlessly degreases areas that most water-based solutions can't
- Fast-action reduces costly downtime and concerns

Cost control

Want lower costs?
Bio-Circle® solutions:

- **Do not require monthly waste disposal**, thereby lowering overall handling costs
- **Will outlast** traditional toxic solvents, will not saturate, and help keep costs down

Highly concentrated solutions for greater savings and lower environmental impact.

VOC-free.
Phosphate-free.
Biodegradable.

Whether its engine bases, housings or larger components, minimize your shop-floor efforts with our solutions used with:

- Semi-automated hot parts washers
- Ultrasonic baths
- Turntable washers
- Spray cabinets and agitated tanks

Delivered in **automatic refilling stations**, our non-chlorinated fast evaporating MRO cleaners blast away stubborn engine grease.

The benefits:

- Fast-evaporating
- Compressed air-propelled
- Bulk buy and save
- Safe on rubber and plastics
