

CB 100 ALU™

Powerful Cleaner and Degreaser for aluminum

CB 100 ALU™ is an aqueous based cleaner and degreaser which uses our exclusive Nature Boost™, a bio-renewable additive for a superior cleaning performance when compared to traditional water based cleaners. CB 100 ALU™ is formulated with renewable raw materials produced from recycled vegetable by-products. These natural ingredients give the product its excellent dissolving and cleaning power. CB 100 ALU™ is ideal for removing oils and greases. It will also remove tenacious and stubborn contaminants such as ink, rubber marks, tar, wax, carbon, soot and pastes. CB 100 ALU™ was specially designed for cleaning aluminum and other sensitive alloys. CB 100 ALU™ is an ideal replacement to solvents and petroleum-based products to improve companies' health and safety in workplaces.

Features & Benefits:
