Enduro-Flex™ 2 in 1 TURBO provides one-step finishing without the need to change from a sanding disc to a non-woven disc

Product Features

- Incorporates Walter's Cyclone™ and Blendex™ technologies to provide a flap disc that can blend welds and leave a paint-ready finish on most surfaces
- Excellent performance on steel, stainless steel and aluminum
- Saves time by eliminating the need to switch between multiple abrasives to achieve a paint-ready finish
- High removal rate which cuts down the time it takes to achieve a ready to paint finish
